

SAMAD AFODUNRINBI

Data Analyst | AI and Machine Learning Engineer | Project & Business Operations

Nigeria | Open to Remote, Hybrid and On-site Opportunities | +2347047225707 | afodunrinbikunmi@gmail.com | [GitHub](#) | [Portfolio](#) | [Medium](#) | [LinkedIn](#)

PROFILE

Data Analyst with hands-on experience in data analysis, reporting, data quality assurance, and operational support. Skilled in Excel, SQL, Python, Power BI, with experience cleaning and validating data, identifying inconsistencies, maintaining accurate records, and translating data into actionable insights. Currently advancing into AI/ML engineering through the Microsoft AI & Machine Learning Engineering Professional Certificate, with training in AI/ML infrastructure, Azure, generative AI and model deployment. Additional experience across client operations, research, AI data evaluation, research, project coordination and business operations enables me to connect technical solutions with practical business needs.

CORE TECHNICAL SKILLS

Data and Analytics

Python | SQL / MySQL | Pandas & NumPy | Excel / Advanced Excel | Power Query | Power BI | DAX | Data Modelling | Exploratory Data Analysis | Data Cleaning & Transformation | Data Quality & Validation | KPI & Business Performance Reporting

AI and Machine Learning (Cloud)

Machine Learning | Supervised & Unsupervised Learning | Predictive Modelling | Feature Engineering | Model Evaluation | Classification & Regression | Decision Trees & Random Forest | Logistic Regression | Natural Language Processing fundamentals | Generative AI & LLM fundamentals | Responsible AI | AI/ML Infrastructure | Model Deployment & MLOps fundamentals | Microsoft Azure | Azure AI/ML workflows | AI data pipelines | Model development environments | Generative AI | LLM applications

Business and Operations

Project Coordination | Business Performance Analysis | Process Improvement | Research and Information Management | SOP and Documentation | Virtual Operations Support | Workflow Management | Stakeholder Communication

Additional Technical Skills: HTML, CSS, Figma | Google Workspace | Asana | Trello | Slack

WORK EXPERIENCE

DATA ANALYST & RESEARCH ASSISTANT INTERN

International Livestock Research Institute (ILRI), IITA Ibadan | Nov 2024 – Mar 2025

- * Supported research activities involving data collection, organization, cleaning and validation.
- * Maintained approximately 98% data accuracy across assigned research data.
- * Assisted with data management and documentation for research activities.
- * Reviewed datasets for inconsistencies and supported accurate information recording.

FREELANCE DATA & OPERATIONS SUPPORT (Contract)

Jul 2025 – Present

- * Provide data, research, administrative and operational support across digital workflows and business tasks.
- * Analyse and organize information using Excel, Google Sheets and other productivity tools to support reporting and decision-making.
- * Support project coordination, task management and operational planning using Asana, Trello and Google Workspace.
- * Integrate AI-assisted workflows into research, documentation and administrative processes to improve productivity.

AI DATA ANNOTATOR & CONTENT EVALUATOR

Remote | 2024 – 2025

- * Evaluated and annotated AI-generated content and structured data against detailed quality, relevance and accuracy criteria.
- * Reviewed AI outputs for factual errors, contextual issues, consistency and adherence to defined requirements.
- * Performed research and fact-checking to support accurate content evaluation.
- * Identified patterns and inconsistencies within data and applied appropriate classifications or corrections.

DATA QUALITY OFFICER

OneForma | Mar 2024 – Feb 2025

- * Performed high-volume data evaluation, validation and quality-control tasks.
- * Maintained approximately 98% quality scores across assigned work.
- * Reviewed and classified digital information according to project-specific guidelines.
- * Identified inconsistencies and corrected errors to improve data reliability.

EDUCATION

UNIVERSITY OF IBADAN

B.Sc. (Hons.) Zoology | 2018 – 2023

PROFESSIONAL CERTIFICATIONS & TRAINING

- * Google Data Analytics Professional Certificate
- * Microsoft AI & Machine Engineering Professional Certificate (In view)
- * SchullTech Data Analysis Certification
- * Microsoft Professional Certificate in Project Management
- * AI for Everyone - DeepLearning.AI
- * ALX certified Virtual Assistant
- * Data Scientist tools box - John Hopkins University

MEMBERSHIPS & VOLUNTEERING

- * HugoTech Talent Hub
- * United Nations Talents
